

**Thank You Speech by Mr. Hsieh Fu Hua  
On Dinner Dialogue with Prime Minister Abhisit Vejjajiva, 22<sup>nd</sup> June 2009**

Prime Minister, it is my pleasure on behalf of the Institute to offer our thanks to your Excellency.

Your Excellency will remember that you said you spoke here once before, and we are doubly fortunate to be here again this evening. This reminds us of course of the ties between our two countries. An evening like this contributes to a greater understanding and a greater friendship.

On behalf of the Institute I must thank the Royal Thai Embassy as well as the Ambassador for their help in bringing this event together.

And may I on behalf of the Institute now offer your Excellency a small token of our appreciation for this evening.
