

Edward Lee

Chief Economist, ASEAN and South Asia
Standard Chartered Bank, Singapore Branch

Edward leads the ASEAN and South Asia economic research team, with economists based in India, Indonesia, Thailand and Singapore. He provides macroeconomic analysis and on-the-ground views on major economic issues in the region. He is often featured in media and has regular interactions with policy makers in the region. Edward was a founding member of the Standard Chartered Rates Strategy team and was previously Head of Asian Rates Strategy. Edward holds an Honours degree in chemical engineering from the National University of Singapore and a Master's in applied economics (Dean's List) from the Singapore Management University.
